Dear Board of Zoning Appeals:

This letter serves as an amendment to our official request, originally dated February 22, 20223, for a sign variance for Geist Montessori Academy, located at 6058 W. 900 N., McCordsville, IN 46055.

Respectfully, we request variance for the following:

Section 7.05 Permit and Quanitity

Section 7.05 (A) Duration

Section 7.05 (C) Size and Area

Section 7.05 (D) Setback

Additionally, we request approval to use banner signage on our street light and parking lot light poles. We will commit that no temporary signage will be illuminated.

In order to ensure that Geist Montessori Academy is able to engage the local community in events and activities at the school, such as enrollment events, open houses, family events, etc.; it is necessary that we are able to advertise said events utilitizing high-quality temporary signs on our property.

Thank you for your service to our community.
