Tonya Galbraith
Town Manager
Town of McCordsville

Dear Ms. Galbraith:

Thank you for your interest in partnering with CSX Transportation as part of Indiana's Local Trax grant program.

I am pleased to inform you that CSX fully supports the Town of McCordsville's application for the CR 600W grade separation project. Should your project be chosen to participate in the program, CSX will partner with the Town throughout the project.

Our company applauds Governor Eric Holcomb and the Indiana legislature for their leadership in establishing an infrastructure funding program that will help enhance safety and improve mobility for motorists and railroads that operate throughout the state.

CSX recognizes the efforts of all Indiana communities that have expressed interest in participating in the program and that see rail as a vital economic driver. And we look forward to collaborating with the Indiana Department of Transportation and local governments through the selection process.

Please contact me if you have any questions or need additional information.

Sincerely,

Amanda J. DeCesare
