Total Bid Price: \$56,438.00

Notes:

- If a bond is required for our work, the cost adder is 1% of our total bid.
- Prime Contractor or Owner will remove all old existing foundations, footings, and/or terminal anchors.
- Dirt work, seeding and mulching to be done by others.
- Engineering, clearing, staking, and access to construction areas is the responsibility of the Prime Contractor or Owner.
- Our quotation does not include bond premiums, association assessments or taxes of any kind.
- Temporary restroom facilities are provided by others.
- On installed items, it is the Prime Contractor's responsibility to ensure that the work area is available for James H. Drew items, and if such cannot be performed, the Prime Contractor will be responsible for a \$1,800.00 per day minimum call-in charge.
- James H. Drew is not responsible for any penalties or assessments due to late or non-delivery from suppliers; strikes; or conditions beyond our control.
- Our crews operate according to the agreements negotiated by the Indiana Constructors Inc.
- Price includes Flagmen for traffic control. If a road closure is required, Project Owner is responsible for such.
- Item 1 includes labor only to remove and dispose of existing Ribbon Rail, not to exceed 400LF. Does not include removal of any below grade anchors.
- Price includes vacuum excavation for locations 2 and 3, on the East side of Carroll Rd. Not to exceed 8 hrs of use.
- Guardrail at approach ends will be Burred Ends. Guardrail on off-going ends will be flared back 4ft.
- JH Drew Corp will call 811 for public utility locates, but any private utility locates including lighting and or ITS are the responsibility of the Prime Contractor or Owner.
- Assumes installation area to be free of utility conflicts or other obstructions. If not, excavation via hand, vacuum or other specialized means is not included.
- This quotation is valid for acceptance within 30 days of the bid date.
