Dear Ms. Gremling

The Town of McCordsville is pleased to provide this financial commitment letter for the roundabout project, proposed by the City of Lawrence, at the intersection of Carroll Road and 86th Street. This is a vital intersection for McCordsville, Lawrence, and Indianapolis. The Town Council of the Town of McCordsville has voted to provide a maximum contribution towards this project of \$450,000. The Town's contribution would be limited to construction costs and right-of-way costs within our jurisdiction. If you have any questions regarding our commitment and support for this project please feel free to contact me.

Sincerely,

Gregory J. Brewer
Town Council President
Town of McCordsville
