- A discussion was had regarding how sick time was accumulated.
- Dr. Burney said that light duty should be defined as a restriction to the duties that the officer is able to do without causing more harm. It

should be defined in this manner so that it happens in a case by case basis. This will provide good flexibility while treating the officer with respect and dignity.

- Chuck made a motion that the following requests be made to the Chief.
 - i. Get a fit for work evaluation, and that this be done by a PERF 77 doctor
 - ii. The request will ask him to schedule an appointment within 72 hours of receiving the doctors names from Ariel
