

June 26, 2019
Town Hall – 6:30 p.m.

Town Council Special Meeting Minutes

Roll Call & Pledge of Allegiance

- Council Members: Tom Strayer, Bryan Burney, Barry Wood
- Employees: Tonya Galbraith, Mark Witsman, Ryan Crum, Ron Crider
- Clerk-Treasurer Cathy Gardner

A & F Engineering Contract

- The contract will entail drawings of the bridge structure.
- The State standard slope is either 6 or 7%. A & F Engineering will discuss with INDOT to determine the correct percentage.
- Mr. Wood would like to see some rendering of what the bridge will look like before it is built.
- This contract will produce a preliminary feasibility study.
- A rendering of the bridge will come after the feasibility study.
- The intersection is proposed to shift to the south.
- There will be some impact to some businesses.
- It is in the scope of this contract to limit those impacts.
- Motion by Mr. Wood to approve Tom to sign the contract with A & F Engineering to do some work proposals on the bridge over the road. Burney. 3-0.

Adjournment

- Motion by Mr. Wood to adjourn. Burney. Adjournment at 6:41 p.m.
