Dear Tonya,

Thank you so much for your gift of \$4,000.00 to the Hancock County Community Foundation.

The Hancock County Community Foundation (HCCF) is a vehicle for people of all means to make a lasting difference for their favorite charitable causes. We exist to receive and professionally administer gifts from individuals, families, and organizations. We permanently invest those gifts in component funds, just like the one your gift supports, with our endowment of over \$40 million for maximum earning power and minimum fee impact. HCCF then stewards and distributes a portion of each fund's generated income in the form of grants, as designated by the donor. Grants address the needs of our local community, educational attainment, and the work of nonprofit organizations both near and far. HCCF is a tax-exempt 501(c)(3) organization providing donors with flexible, efficient, and tax-effective ways to ensure their charitable giving achieves the greatest possible impact.

***Collaboration • Communication • Community Enrichment
Integrity • Leadership • Stewardship***

Sincerely,

Mary Gibble
President
