New Business

Pulte Group request for approval of new elevations in Oakcrest

Mr. Crum introduced the petition, saying that all of the models have previously been approved by ARC. Pulte Group is adding 4 new elevations. Staff is in full support of the petition.

Anti-monotony review

Hilltop Heartland 3R & Westchester Heartland 2S

The Committee discussed a variation of the Hilltop Heartland 3R that Staff believes could make the two elevations look similar. After discussion, the Committee agreed that these two elevations do not need to be on the anti-monotony matrix.

Hilltop Heartland 1W & Westchester Heartland 2S

These do not need to be on the matrix

Hilltop Heartland 3R and Hilltop Heartland 3S

These two must remain on the anti-monotony matrix.

Hilltop Heartland 1W and Hilltop Heartland 3S

These do not need to be on the matrix

Mr. Strayer made a motion to accept the new elevations with the caveat that the Hilltop Heartland 3R and Hilltop Heartland 3S remain on the anti-monotony matrix. Mr. Gooding seconded the motion. The motion passed 4/0.
