Tri-county Outdoor Power Equipment-Aaron C-We took our trade in and spoke with the owner about what we needed and to value trade. We have followed up with 3 phone calls and still cannot get a quote from them.

We are trading in the 2015 Ferris IS 3200z on the new R-O-W mower. I recommend that we purchase the new Ferris mower from Harrison Street Power equipment, the same place we have purchased mowers from before.
