Public Works Committee

Re: Town Standards revisions

Public Works:

Below is a list of revisions to the McCordsville Town Standards. The revisions are markups of the existing PDF files. The revisions have to be approved by Town Council.

1. Sheet 1 – Title sheet
  - a. Update of revision log.
2. Sheet 2 – Pavement Specifications
  - a. Revision to the lime stabilization specification by modifying the range call out to a specific value of lime.
  - b. Revision to the lime stabilization specification by adding written acceptance of cement stabilization as a lime alternative.
  - c. Revision to the lime stabilization specification to make clearer that quicklime shall not be allowed.
  - d. Revision to the multi-use path pavement section to allow for installation in single pass by changing the pavement section to one 3” lift instead of a two lifts (2” intermediate and 1” surface).
  - e. All road pavement sections modified to match INDOT change to minimum 1.5” asphalt surface layer.
  - f. Correction to local collector name.
  - g. Added written temperature requirements.
3. Sheet 3 – Right of Way Details
  - a. Revision to underdrain detail.
4. Sheet 4 – Utility Location Guidelines
