

DANIEL'S

FAMILY VINEYARD & WINERY

UPDATED FRONT SIGN

An Updated Sign featuring slate, stone, timber, and landscaping would adorn the southwest corner of the Daniel's Vineyard property.

OUTDOOR

VENUE

Daniel's Vineyard has been known as a destination gathering place for our community and travelers. By adding a pavillion we would be able to accommodate weddings and parties looking for a more casual, outdoor covered space. The use of this structure would be for weddings, graduations, celebrations, corporate and social events.
