Project Updates

a. Town Engineer Report

Mr. Witsman advised of lane restrictions of 1-3 days on 600W for storm sewer repair due to a gas line issue. Details of this project are pending.

Directional drilling across 600W to McCord Square damaged the storm sewer and will need repaired.

The Town is also awaiting revisions on the 600N Roundabout design.

Vintner's Park received approval for their ditch crossing.

b. Public Works Department Report

None.

Old Business

None.

New Business

a. Stop Sign Request in Geist Woods Estates

A three-way stop sign is being requested at Vintner's Park and Geist Woods.

Mr. Gropp moved to recommend to Town Council that a three way stop sign intersection to be installed at the corner of N. Silverthorne Drive.

Mr. Witsman seconded. Passed 5/0.

b. Parking Restrictions along Collector Roads

Discussion was had amongst the committee regarding parking along collector and arterial roads and will bring the topic to Town Council for further discussion.

c. Discussion on USI Contract Engineering Services – 750N & 600W RAB

Roundabout at 750N & 600W to start design process. Second Street intersection, asphalt, and concrete work to be completed in the next month or so. Survey work will be next. Staff is considering a few different engineers for the consultant work and felt that USI is the best fit for the job. This project will be more expensive than most since it will be all new construction. Mr. Gropp stated that Town Council will be discussing the contract.

Public Comment

Mr. Price of Cardinal Woods thanked Mr. Brown and the Public Works staff for cleaning up the brush along N 700 W (Carroll Road).

He also asked if speed data was collected with the Impact Fee Study. Mr. Witsman stated that traffic counts were taken town wide, but speed was not part of the study.

Mr. Price mentioned that the sidewalk in front of Daniel's Vineyard has been used as a driveway during some of the events and asked if balusters can be installed to prevent motorized vehicles. Mr. Gropp assured him that it has been discussed and they will be ordered and installed in the future.

Next Meeting

December 5, 2023, at 4:30pm

Adjourn

Mr. Crider motioned to adjourn. Second by Mr. Bragg.
Meeting was adjourned by Mr. Jones at 5:13pm.
