

## Sponsorship Levels

Thank you for considering sponsoring our biggest and most well attended community event, "Party in the Park"! This will be the second year for this event and our goal is to bring the community together for another fun, family-oriented evening. We want to celebrate our local businesses, organizations, and neighbors in McCordsville, and we are expecting hundreds to attend! There will be many fun, free activities for our community guests as well as food trucks offering food and treats available for purchase. The expenses for this event are approximately \$15,000, so any amount contributed is sincerely appreciated by the town and community. Thank you for making McCordsville a better place to live!

Please read below for our sponsorship levels.

### Title Sponsor - \$3,500
