2024 Projects, timelines & Outlook – Gropp

Mr. Gropp shared a presentation to the board regarding current and future park plans and projects.

Ms. Jones presented the vision of the newly acquired community event, “Market in McCordsville.” She will be seeking artisans, crafters and farmers to participate and grow into a larger event and eventually host it at McCord Square when the time comes.

Mr. Gropp presented the event schedule for 2024 and asked for input from the board members regarding logistics and dates.

Due to the restrictions of the Town Hall Community Park field during inclement weather, it was suggested that the annual Easter Egg Hunt not continue. However, an Easter event to be held in its place inside Town Hall with a visit with the Easter Bunny on Saturday, March 30th, 9am-noon for a free photo-op with treats.

The town will not host an Eclipse event. However, the town will be offering free solar eclipse glasses to residents at no charge, while supplies last.

Party in the Park and the Path to Fitness 5K will be conducted on separate days in 2024. While both events were successful on the same day last year, it made for a very long day for staff. Party in the Park will be held on Saturday, June 29th and the 10th Annual Path to Fitness 5K will be held on August 10th.

Trunk or Treat will be held on Sunday, October 27th. The past two years have been extremely successful with high attendance and community participation. At the 2023 Trunk or Treat, the town provided free hot dogs and chips to those that attended however supplies ran out before the event was over. The cooking method will be altered for next year to speed up the process as well.

The Christmas Tree Lighting was cancelled due to weather in 2023, so an alternate event with a Visit with Santa was held, which was extremely successful with the community. Christmas Lights at Town Hall and at Old School Park will be turned on the Friday after Thanksgiving without a Tree Lighting event. The Board discussed creating a hybrid event to incorporate Santa and a few interactive events and have an open-house timeline instead of how the previous holiday celebrations functioned with a start time and schedule of events. The Board decided to host the Christmas celebration and Visits with Santa event the weekend after Thanksgiving. (Friday, December 6th)
