## Summary of services in preliminary RFP (subject to change)

### Baseline RFP

- 2 Containers—1 Provided—2 Upon Request
- Out of City Residents can pause service to not be charged
- Recycling Biweekly (alternate option for every week)
- Customers can purchase overage bags/bulk waste tags directly from contractor
- Special Needs Service for Elderly and Special Needs

### Alternate #1: Compost and Leaf Pick Up

- Leaf Pickup March April May October November December (20 Bags)
- Composting,
- Christmas Tree

### Alternate #2: Bulky Waste

- 1 bulk item per month

### Alternate #3: Resident Drop Off Program

- Resident billed directly from contractor for drop off of additional items at identified area

## **Alternate #4: City Facility Trash Collection**

### **Additional Notes:**

- Billing likely to be handled by the City
- Operations handled by the Contractor
- We have language that indicates we are open to discuss billing option through the contractor.
- Contractor assumes risk of underpayment by residents. City will in good faith effort collect the monthly trash fees from residents.
