| <input type="checkbox"/> Other (please specify): _____ | |

Describe reasons supporting the variance requested: We request approval for a temporary fence to enhance the community experience and provide a welcoming atmosphere. This fence is designed to blend in with the natural landscape, complementing the existing aesthetic of both the property and surrounding area. Rather than creating a barrier, the fence has been positioned and styled to enhance the sense of arrival for residents and visitors alike. The temporary nature of this fence allows it to fulfill its purpose of defining community spaces without creating a permanent structural impact. By using materials and colors that harmonize with the natural surroundings, the fence adds to the property's inviting character.

Development Standards Variance Criteria

The McCordsville Zoning Ordinance establishes specific design criteria that must be met in order for a variance to be approved. Please answer each question below and if the response is "NO", please describe why the variance requested does not meet the required criteria.

Will the variance provide safe conditions that will not be injurious to the public health, safety, morals, and general welfare of the community?

☒ YES ☐ NO, Please Explain (attach additional pages as necessary): _____

Will the use and value of the area adjacent to the property included in the variance not be affected in a substantially adverse manner?

☒ YES ☐ NO, Please Explain (attach additional pages as necessary): _____

Will the strict application of the terms of this Ordinance result in a practical difficulty in the use of the property? This situation shall not be self-imposed, nor be based on a perceived reduction of, or restriction on, economic gain.

☒ YES ☐ NO, Please Explain (attach additional pages as necessary): The ordinance

preventing the fence creates a practical difficulty for the marketability of Beazer's model. The fence helps

define the space, enhancing the model's visibility from the road and guiding visitors into the community.
