

An aerial photograph of a residential development named Stonechase. The map is overlaid with a semi-transparent white box containing the title and review information. The development features a winding road, two large ponds, a playground, and a pavilion. The area is divided into three color-coded zones: orange for the top section, yellow for the bottom section, and green for the central area around the ponds. The text 'Stonechase' is prominently displayed in the center of the map.

Stonechase

ARC Initial Review April 2025

A two-story house with a light-colored exterior and dark grey vertical siding in the gables. It features a two-car garage with white doors and a brick base. The front entrance has a dark door and a small porch. The house is set on a green lawn with a concrete driveway and a clear blue sky in the background.
