Re: Disconnected Sewer Line

Larry and I own property at 7549 N. Center Street. There is a trailer on the back of the property. The address for it was 7539 N. Center Street. The last renter, Randy Abbott, passed away on New Years Eve 2017.

We had the water turned off in January and on October 18th, Rex May Plumbing dug up the sewer line and capped it. We are respectfully asking now that the sewer bill be discontinued. The trailer is no longer a residence.

Thank you for your help. If you have any questions, please call us at 317/432-8971.

Millie Apple

A handwritten signature in black ink that reads "Millie Apple". The signature is written in a cursive, flowing style.
