To whom this may concern at the McCordsville Town Council:

I am planning on our wedding ceremony at the Daniel's Vineyard located in McCordsville. We are expecting 100- 120 guests from all over the US and overseas. Parking, restrooms, catered food is provided by the venue. They also have current liquor licenses and will be serving beverages. This will be an outdoor/ indoor event and is invitation only. We will have a DJ playing music indoors until 11pm with Daniel's Vineyard. We are requesting to have permission to have a short firework show at dusk or by 10 pm to celebrate our Indian- American wedding.

Sincerely,

*Asha Lall & Adam Hufford*
