**Engineer's Report**

Below is a listing of project updates for the month of August.

- CCMG application made for total project cost of 1.3 million on 8/31. Waiting on award around October.
- Road impact fee – Traffic counts are ongoing.
- Daniel's Vineyard Trail – clearing and survey staking ongoing
- Aurora Way Phase II – Pavement is down but still closed until striping is completed. There was delay to the striping which is scheduled for 9/7-9/8. Construction traffic will then be shifted back from the 600N entrance.
- Outlook Church – No update.
- Town wide patching – mostly complete except for radii
- McCord Square – Utility coordination issues with Citizens and CenterPoint.
- Colonnade – Construction continues on Sections 1, 2 and 3A.
- Jacobi Legacy Farms – Anticipating spring start. Discussion on lift station costs and town participation through sewer fees.
- Walmart – Waiting on Greycor and E&B Paving to begin work.
- Preserve at Brookside – Started construction.
- Fire Station – Started construction.
- Crew Car Wash – Working through drainage review.
- Enclave – Drainage review on going.
- Haven Ponds – Mass earthwork permit approved, and construction started.

- Rivendell – Section 1 review
- Meridian Homes – review
- Valvoline – Construction ongoing.
- Vail Industrial – Construction ongoing. Most of the paving complete.
- Vintner's Park – Road construction underway.
- CR 800 North study – Site visit with Crossroads. Tentative plan discussed.
- Hanna/Center Storm Sewer – No update.
- Manhole Rehab and Force Main Air Release Valve Rehab project – Will resume as workload allows.
- Stansbury force main – Soliciting engineers to assist.
- Stansbury & Schultz Ditch Relocation – No update this month.
- Stormwater Ordinance update – New IDEM permit requirements will require some ordinance modifications.
