## DRAINAGE COVENANT

Channels, tile drains 8-inch or larger, inlets and outlets of detention and retention ponds, and appurtenances thereto within designated drain easements are extensions of the McCordsville's stormwater drainage system and are the responsibility of the McCordsville Drainage Board and/or the McCordsville Public Works Commissioner. Drainage swales and tile drains less than 8-inch in inside diameter shall be the responsibility of the property owner or homeowner association.

A petition addressed to the McCordsville Drainage Board has been filed in duplicate with the McCordsville Town Engineer, requesting that the subdivision's storm drainage system and its easements be accepted into the regulated drain system. Channels, tile drains 8-inch or larger, inlets and outlets of detention and retention ponds, and appurtenances thereto within designated drain easements are extensions of the McCordsville's stormwater drainage system and are the responsibility of the McCordsville Drainage Board and/or the McCordsville Public Works Commissioner. Drainage swales and tile drains less than 8-inch in inside diameter shall be the responsibility of the property owner or homeowner association. The storm drainage system and its easements that are accepted in to the regulated drainage system are delineated on the plat as Regulated Drainage Easements (RDE's). Regulated Drainage Easements are stormwater easements and drainage rights of way that are hereby dedicated to the public and to McCordsville, Indiana, for the sole and exclusive purpose of controlling surface water and/or for installation, operation, and maintenance of storm sewer and tile drains as defined in McCordsville Stormwater Management Ordinance. These drainage easements are established under authority of the Indiana Drainage Code and the said Board may exercise powers and duties as provided in said code. All other storm drainage easements have not been accepted into the town's system. All drainage improvements performed relative to the conveyance of Stormwater runoff and the perpetual maintenance thereof, with the latter easements, shall be the responsibility of the owner or homeowner association. The McCordsville Drainage Board assumes no responsibility relative to said improvements or the maintenance thereof. This subdivision contains \_\_\_\_\_\_ linear feet of open ditches and \_\_\_\_\_\_ feet of subsurface drains that will be included in the Town's Regulated Drainage System.
