having to pump 800 gallons and is paying \$400 weekly to do so. He and his family are forced to use other facilities to shower, do laundry, etc. He requested to collaborate with the Town and possibly tie in other residents of Champion Lake if they were interested.

Mr. Witsman spoke on different options regarding low pressure systems and gravity systems as well as the pros and cons of each. There would also be boring and installation costs and special consideration in regard to easements, water lines, septic and laterals.

Mr. Witsman will construct options to provide at the next Town Council meeting for consideration.
