ESTIMATE

Services	qty	unit price	amount
Holiday Lighting - C9 Warm White Custom Install, All Season Maintenance, and Removal Front of building roofline.	140.0	\$6.50	\$910.00

Christmas Lights Indy uses environmentally friendly LED lights. A time-tested technology that is now available for outdoor holiday lighting. The lights use 80-90% less energy than conventional mini-lights, and last up to 200,000 hours (compared to mini lights at about 1000 hrs), which is friendlier to the environment, and creates less impact on the landfill and less money spent on power out of your pocket.

Whats included:

- Professional Holiday Lighting Design
- All LED lights
- Custom Install
- No Cost Maintenance All Season
- Take down
- A happy and fun crew of "Roof Elves" that love lighting up the holiday!

Holiday Lighting - C9 Warm White Custom Install, All Season Maintenance, and Removal Side of building roofline.	135.0	\$6.50	\$877.50
