**Re:** Realignment – Thoroughfare Plan Update

---

At the 2019 Town Council Retreat the Town Council directed to staff to continue discussions with INDOT on the current alignment bridge project. In addition, the Council directed staff to bring up, as a discussion item, a potential Thoroughfare Plan Amendment at the May 2019 Regular Council meeting. The potential amendment to be discussed would be the removal of the re-alignment from the Town's Thoroughfare Plan.

Following discussions at the meeting, if the Council directs staff to begin the amendment process, a potential schedule is detailed below:

- Planning & Building Dept. would file an application for a Comprehensive Plan Amendment no later than Friday, May 24<sup>th</sup>.
- Public Notice for the public hearing would be completed no later than Saturday, June 8<sup>th</sup>.
- The Plan Commission would hold a public hearing on June 18<sup>th</sup> @ 6:30pm. The Plan Commission would provide a recommendation on this petition to the Town Council
- Town Council would have the opportunity to act upon the petition at the July 9<sup>th</sup> meeting.

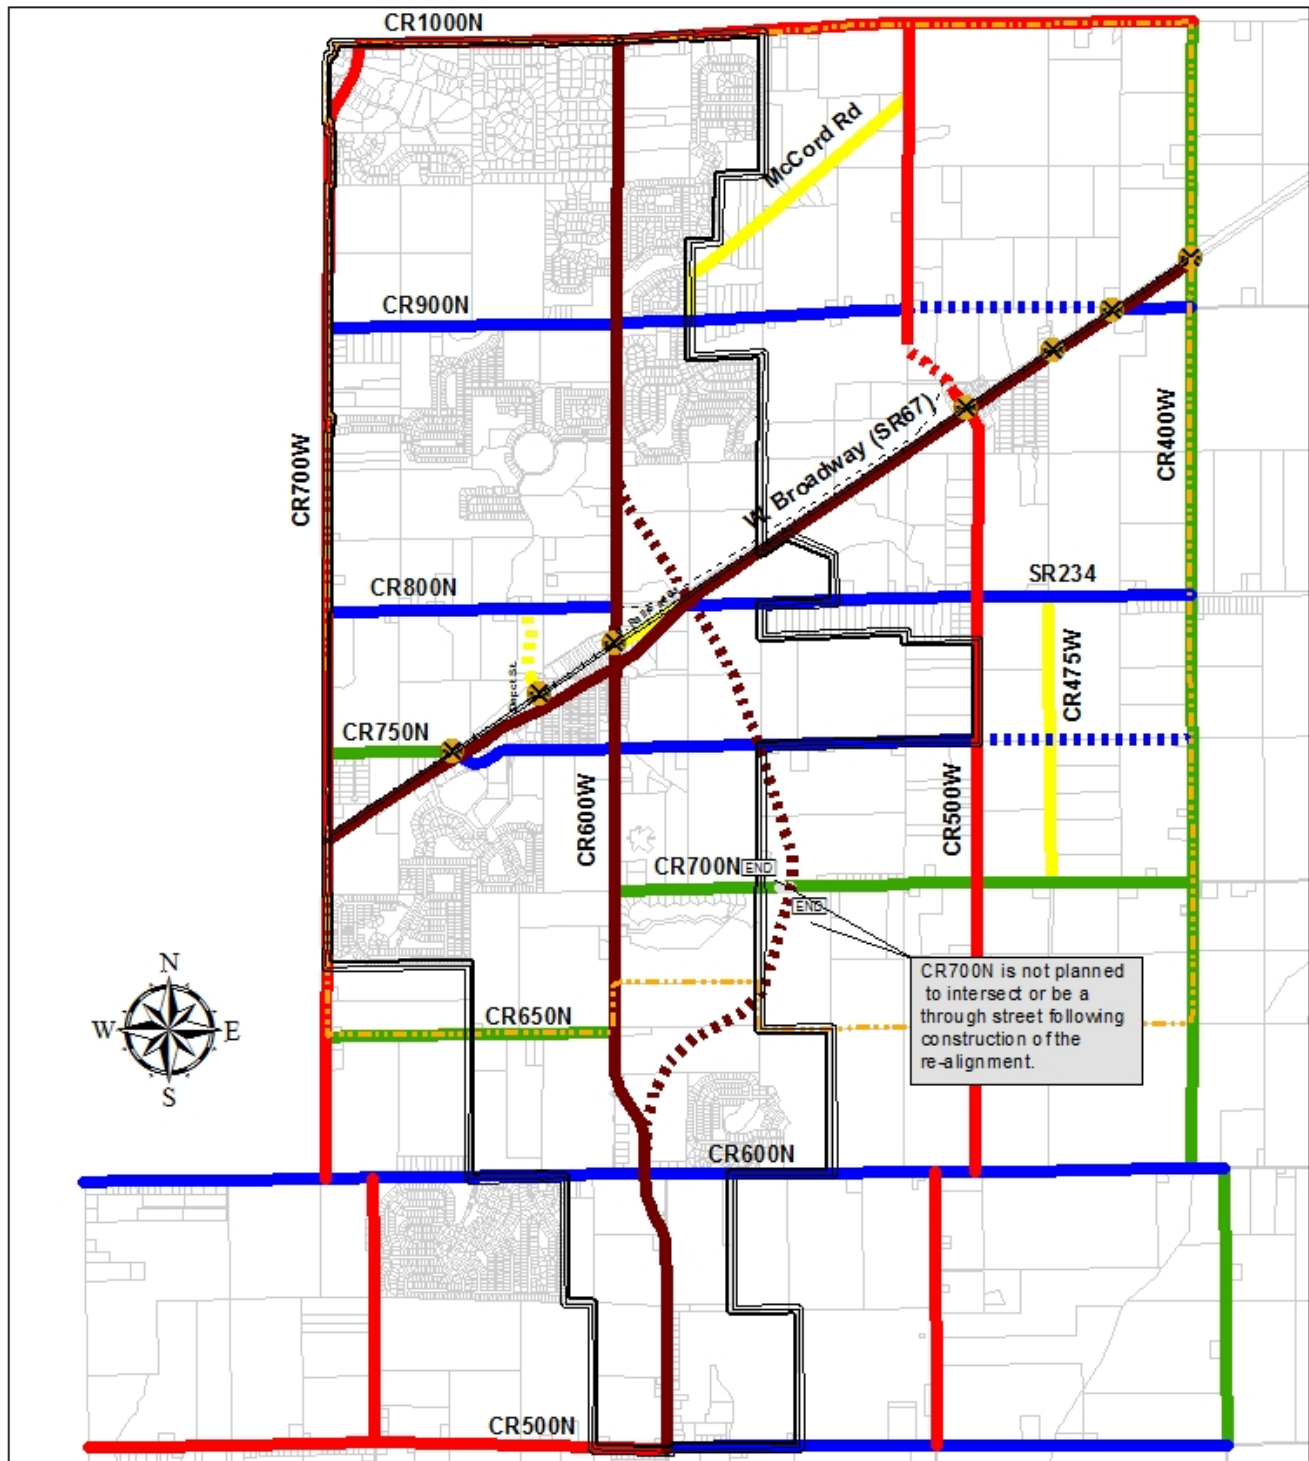

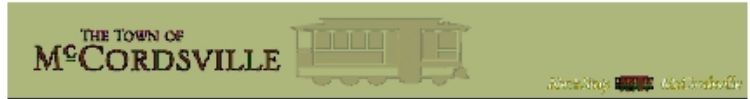

Sincerely,

**Ryan Crum, AICP**  
Director of Planning & Building
