**Engineer's Report**

Below is a listing of project updates for the month of November.

- 600 West Bridge – Two options are being evaluated internally.
- 600 North / 600 West Roundabout – Submitted to MPO for HSIP funding.
- Road Asset Inventory – Submitted to LTAP and accepted. New online portal system requires matching LTAP format for upload to be successful. Also now required to be completed prior to December 1<sup>st</sup> in order to be eligible for the coming year's CCMG call.
- Fiscal Sustainability project – Investigating option to continue to use Cathy beyond her term as Clerk Treasurer. Probably still six months of work still to do.
- WWTP Design – About 82% complete and getting ready to submit to IDEM. Design over planned budget because of air piping and effluent piping changes.
- Oakcrest – Earthwork continues.
- Manhole Rehab and Force Main Air Release Valve Rehab project – Initial list of manholes being prepared for rehab quotes.
- Stansbury Lift Station – No update for this month.
- Stansbury & Schultz Ditch Relocation – Permitting.
- Stormwater Ordinance update – Nothing this month.
- Hanna/Center Storm Sewer – Project manager with VS left. New person to finalize drawings.
- Geist Montessori School – Pavement completed.
- Weaver's Landing Section 1 – Plat was signed and is being held till storm punch list is completed.

- Woodhaven Section 7 – Road not paved yet but is close. Proof roll on stone planned for Wednesday December 4<sup>th</sup>.
- McCord Pointe Section 2 – Pavement down.
- McCord Pointe Section 3 – Proof roll on stone planned for Tuesday December 3<sup>rd</sup>. Pavement would be immediately after.
