Engineer's Report

Below is a listing of project updates for the month of March.

- Infrastructure Inspector search is ongoing. Mike Cousins is helping by covering the development crews as time allows. Some overtime is expected by either Mike or Jack picking up more inspections on the building side.
- 600 West Bridge – No update.
- 600 North / 600 West Roundabout – Waiting on MPO announcement.
- Fiscal Sustainability project – No activity this month.
- WWTP Design – Bids opened on March 31st. There were two bidders.
- Oakcrest – Work continued for most of the month. But the contractor, Valenti Held, did shut down for COVID-19 towards the end of the month.
- Manhole Rehab and Force Main Air Release Valve Rehab project – Paused until new hire is in.
- McCordsville Marketplace – Sanitary sewer work is mostly complete. Storm and building work as well.
- McCord Pointe Section 2 – Storm and sanitary punch list.
- McCord Pointe Section 3 – Storm and sanitary punch list.
- McCord Pointe Section 4 – Drainage review ongoing.
- McCord Pointe Section 5 – Drainage review ongoing.
- Stansbury force main – No update for this month.
- Stansbury & Schultz Ditch Relocation – Army Corp issued permit.
- Stormwater Ordinance update – Nothing this month.

- Hanna/Center Storm Sewer – Water line coordination/design considerations ongoing after Citizens refused to relocate a water line that is in the way.
- Villages at Brookside Section 13B – Sanitary sewer work continues.
- Woodhaven Section 7 – plat released to be recorded.
