## Proposal for: *Town of McCordsville*

**Proposal Submitted To:**

*Town of McCordsville  
5759 W. Broadway  
McCordsville, IN 46055*

**Work to be Performed At:**

*McCordsville WWTP*

We hereby propose to haul and legally dispose of biosolids from the McCordsville W.W.T.P. Assuming pre-qualification of biosolids through testing, the biosolids will be transported to a Merrell Bros. Regional Biosolids Center and later land applied under the permits issued by IDEM.

The McCordsville W.W.T.P. is responsible for supplying an annual biosolids analysis verifying Class B quality for land application.

Merrell Bros., Inc. will assume liability of the biosolids once loaded onto tankers at the treatment plant and will supply the Town with a certificate of disposal upon completion of the hauling.

ALL MATERIAL IS GUARANTEED TO BE AS SPECIFIED, AND THE ABOVE WORK TO BE PERFORMED IN ACCORDANCE WITH THE SPECIFICATIONS SUBMITTED FOR THE ABOVE WORK AND COMPLETED IN A SUBSTANTIAL WORKMANLIKE MANNER FOR THE SUM OF:

*Hauling and disposal = \$0.1295 / Gallon hauled*  
+  
*Pump setup and use charge = \$975.00 (per hauling occurrence)*  
+  
*Annual Testing = \$485.00 (if not already completed by the Town)*

WITH PAYMENTS TO BE MADE AS FOLLOWS: NET 15 DAYS

Respectfully submitted  
Per **Merrell Bros., Inc.**  
\*\* We may withdraw this proposal if not accepted within 30 days.
