RE: Fee Proposal – Part Time inspection
SR 67 Median and Enhancement Project
McCordsville, Indiana

Dear Ryan and Mark:

CrossRoad Engineers is pleased to present this Scope of Services and Fee Proposal to provide professional services associated with this SR 67 enhancement project. It is anticipated that the project will consist of placing new center curbed median from Carrol Road (CR 700N) approximately 3,000 ft to the northeast to CR 750N. Construction will begin in 2021, with the allowable timeframe from April to November.

We estimate that the actual work will take between 4 and 8 weeks, during which time we anticipate between 10 and 20 hours per week for our inspector. Therefore, we are using 80 hours for the inspection for budgeting purposes as listed below:

Director – 8 hours @ \$160 / hour	= \$1,280
RPR – 80 hours @ \$125 / hour	= \$10,000
Mileage – 50 miles per week @ 8 weeks @ \$0.58 per mile	= \$232
Total Budget	= \$11,500

Our 2021 hourly billing rates are attached for reference. We are ready to begin and appreciate your allowing CrossRoad Engineers to design this project for you. If you have any questions, please call me at 780-1555 ext. 114.

Sincerely,

CrossRoad Engineers, PC
