Town Of McCordsville

Office of Town Manager

5759 West Broadway
McCordsville, IN 46055
www.mccordsville.org

Dec. 20, 2006

Dear McCordsville Resident:

On Dec. 12, 2006 the McCordsville Town Council voted unanimously to approve CGS Services, Inc., as the provider of trash collection services for years 2007 and 2008. This action was taken due to the fact that the current provider, Republic Services, contract expires on Dec. 31, 2006. In order to make sure that the Town's property taxpayers are getting the best deal, the contract was put out to bid according to the requirements of State Law.

Currently, the Town pays \$5.99 per residential pick-up per month. CGS Services submitted a bid of \$6.00 per residence, lower than the other bidders by more than \$2 to \$3.

Trash pick-up will remain on Tuesday mornings and will begin by CGS Services on Jan. 2, 2007. Trash containers still need to be set out by 6:00 a.m. on Tuesdays.

CGS Services is headquartered in Morristown and they own and operate their own landfill. They currently provide trash collection services to the Towns of Fortville, New Palestine and Morristown.

CGS Services will also pick up residential recycling bi-weekly for a subscription cost of \$2.00 per month. However, that cost will be borne by the resident and arrangements must be made between CGS Services and the resident.

We are confident you will not notice a change in trash collection services once this new contract begins. Should you have any questions regarding CGS or the services they provide, please feel free to contact Sales Manager Mike Tragesser at 765-763-6258 or mtragesser@cgsservices.com.

Thank you in advance for your cooperation as we move to this new trash collection vendor. If you have any questions or comments, please feel free to contact either myself or Public Works Commissioner Ron Crider.

Sincerely,

Tonya Galbraith
