Additional Fees

Extraordinary Services / Miscellaneous Fees

The charges for performing extraordinary or other services not contemplated at the time of the execution of the Transaction Documents or not specifically covered elsewhere in this schedule will be commensurate with the service to be provided and may be charged in BNY Mellon’s sole discretion. If it is contemplated that BNY Mellon hold/and or value collateral, additional acceptance, administration and counsel review fees will be applicable to the agreement governing such services. If the bonds are converted to certificated form, additional annual fees will be charged for any applicable tender agent and/or registrar/paying agent services. Additional information will be provided at such time. If all outstanding bonds of a series are defeased or redeemed, or BNY Mellon is removed as paying agent prior to the maturity of the bonds, a termination fee may be assessed at that time.

Miscellaneous fees and expenses may include, but are not necessarily limited to supplemental agreements, tender processing, the preparation and distribution of sinking fund redemption notices, optional redemptions, failed remarketing processing, preparation of special or interim reports, UCC filing fees, auditor confirmation fees, wire transfer fees, Letter of Credit drawdown fees, transaction fees to settle third-party trades, and reconciliation fees to balance trust account balances to third-party investment provider statements. Counsel, accountants, special agents and others will be charged at the actual amount of fees and expenses billed. FDIC or other governmental charges will be passed along as incurred.

You agree to reimburse BNYM for extraordinary expenses incurred by it in connection with the Transaction to the extent permitted by law.

Unless specifically listed in this Fee Schedule, the fees, expenses and disbursements of BNYM legal counsel are not included in the charges listed above.
