Decision Being Appealed

On the following date Aug 12, 2020, I was notified by Ryan Crum that the following request was not permitted by the zoning ordinance:

Basis of Appeal Summary

I feel this request is permitted by the zoning ordinance for the following reasons:

Because
of COVID we have lost our income.
And we cannot afford to pay to
mow 25 acres of big parcel. It costs
around \$3,000 to \$10,000 per
week to mow this huge vacant
land of 25 acres. We have previously requested
and requesting again to allow us to do
agriculture on this land until its developed
or five years, whichever is earlier.
