Rezoning / Zoning Map Amendment Criteria

The Indiana Code and the McCordsville Zoning Ordinance establishes specific criteria to which both the Plan Commission and legislative body must *pay reasonable regard* to when considering a rezoning request. The criteria are listed below; please explain how this request will address each criterion.

Will the rezoning support the *McCordsville Comprehensive Plan* and other applicable, adopted planning studies or reports?

YES NO

Please Explain (attach additional pages as necessary): The Comp Plan calls for Regional Commercial but the Town states this type of development is unlikely and light industrial is compatible with surrounding development.

Will the rezoning be compatible with *surrounding current conditions* and the character of current structure and uses?

YES NO

Please Explain (attach additional pages as necessary): Land adjacent to the east and across 500N to the south is all zoned for light industrial, so our petition is compatible.

Will the rezoning result in the property being used for the *highest and best use* for which land in each district is adapted?

YES NO

Please Explain (attach additional pages as necessary): Petitioner plans to develop warehousing and light industrial, which is the highest and best use for this property, which is adjacent to other industrial land.

Will the rezoning affect *property values* throughout the Town's planning jurisdiction?

YES NO

Please Explain (attach additional pages as necessary): Property values throughout McCordsville will not be negatively affected by this development. Assessed value of this property will greatly increase as a result of this development.

Will the rezoning result in *responsible growth and development*?

YES NO

Please Explain (attach additional pages as necessary): The site is near other industrial developments and will greatly increase the Town's tax base and create more job opportunities.

Statement of Intent

Petitioner: GDI Companies

Site: Northeast corner of CR 500N and CR 700W

Petitioner proposes to rezone the approximately 115 acre Site to the I-2 district for warehousing and distribution uses (and offices related thereto) and improve the Site with industrial buildings, as approximately depicted on the attached preliminary site plan. The Site is not within the town boundaries of McCordsville. In order for the Site to have a uniform zoning classification per the McCordsville Zoning Ordinance, Petitioner also seeks to annex into the Town of McCordsville.
