Old Business

None.

New Business

Award of Old School Park Bid

Mr. Gropp explained that the Public Works Commission meeting last week, three bids were received. The budget for the Old School Park was estimated to be at approximately 1.7 million. Mr. Gropp further explained how the project would be funded by various sources. Restroom concepts were being finalized later in the week.

The Old School Park memorial doorway will need to be moved, however the bricks are in a fragile condition and deteriorating. Discussion was had amongst the board on possible ways of moving it or incorporating it into the park at a different location or having a historical marker sign made to display at the park.

The timing of construction and color choices of the playground equipment were discussed. The board advised to use bright teal and lime green colors on the equipment to give it a fun and happy aesthetic.

Mr. Williams motioned to award the Old School Park and Hannah Street Drainage improvements to JKES, Inc dba Smith Projects to include the base bid and both alternates and authorize the Town Council President to sign off on the award for both entities.

Ms. Highley seconded and passed 4/0.
